make the lock set at the lock-in position

Installing the head of the cotton upholstery

Install Seat Cushion

Insert the plastic bolts into the holes around the panel. Put the plastic stick through the seat cloth's hole and then tighten with screws.

Install the Toys

Insert the toys into the holes of the toy tray in the panel and insert the toy arch into the other two holes of the panel.

Maintenance

- 1) To avoid accidental injury, inspect the baby walker on regular basis.
- 2) Please check all the parts for any damage or rupture and change them if required before using the walker
- 3) Seat cloth is hand washable. Babyhug laundry detergent is recommended.
- 4) This walker contains small part for assembly purpose, please store them carefully. Keep small parts away from baby.
- 5) Do not use or store the baby walker at irregular, damp, cold or high-temperature places for a long time.
