PART LIST

Steering Wheel

Body

Nut

Fork

Backrest

Bolt

Assembling Instruction

1. Insert the fork through the hole in the front of the body and make sure the fork is positioned so that the supporter is facing the front.

2. Fix the Steering wheel to the fork bar from the top of the ride-on. Insert the bolt into the hole of the steering wheel, then tight the nut with a screwdriver.

Assembling Instruction

3. Insert the backrest into the hole at the back of the body, be certain the backrest is securely fixed.

Battery Fixing

Loosen the three screws with a screwdriver, and take the music box out.

Loosen the screw of the battery cover, please keep all the screws in a safe place away from children's reach. Insert 2 AA batteries in the battery house as per the polarities mentioned.

Then tight all the screws with a screwdriver.

Battery Handling

1. Battery must be handled by adults only, and use AA size batteries.
2. Do not mix old and new batteries.
3. Always remove batteries when the unit is not going to be used for an extended period of time.
