## INSTRUCTION

### Large comfortable Bather

This large comfortable grows with your baby from newborn to infant. The baby bather cradles baby for a comfortable and relaxing bathing experience. Soft mesh seat conforms to baby's body for extra comfort and includes a padded head support. The solid base and non-skid feet provide stability. The Bather is fully assembled and folds compactly for easy storage and travel.

## WARNING !

1. Always keep baby within arm's reach.
2. Never place child in tub until you have tested the water temperature by touch.
3. Bath water should never exceed 100°F (37.8°C).
4. Never change backrest position with baby in tub.
5. Never use tub on uneven or elevated surfaces.
6. Never use more than 1 inch of water in tub while bathing child.
7. DO NOT carry the tub with child or water in it.
8. DO NOT allow other children to substitute for an adult.
9. Discontinue use of product if damaged or broken

## SET UP & USE

### To Unfold the Bather

**Step 1:** Unfold backrest until it snaps into place (see Figure A).

**Step 2:** Pivot the support leg out and snap into desired location on the base.

**NOTE:** There are two grooves on the base for the two positions - upright or reclining position for baby (see Figure B).

**Step 3:** Swing footrest down and snap into place over footrest tabs at the base (see Figure C & D).

Now you are ready to use the bather.

1. Put product in desired washing area.
2. Never leave child unattended.
3. Do not use if your child can sit up unassisted.

### To Change Backrest Position

**Step 1:** Turn release button on base and release support leg (see Figure E).

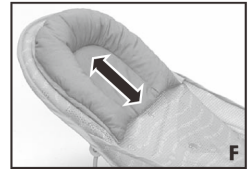

**Step 2:** Snap support leg into second groove on base.

**WARNING:** Never change backrest position with baby seated in the bather.

### To Adjust Head Support:

Adjust head support up or down by moving hook and loop strap on rear of baby bather to desired position (see Figure F).

### To Remove Fabric Cover:

**Step 1:** Fold backrest over and slide off fabric (see Figure G).

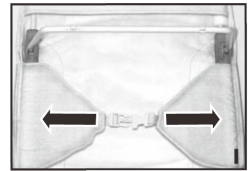

**Step 2:** Fold footrest in and slide off fabric (see Figure H).

**Step 3:** Release support leg and fold entire seat forward to expose the bottom of seat cover.

**Step 4:** Unfasten plastic snap (see Figure I) and remove cover.

**Step 5:** To place washed fabric cover onto Large bather, repeat process in reverse order.

### To Wash Fabric Cover:

Step 1: Machine wash on delicate cycle with no bleach. Wipe frame with a damp cloth and mild soap.

*Babyhug Liquid Laundry Detergent is best recommended*

### To Dry Fabric Cover:

Step 1: Put fabric cover back on frame. Air dry.

### Maintenance

Please check the following before before each use.

1. The release button on the base that holds the support legs in place.
2. The molded tabs on the base that hold the footrest in place.
3. The seams in fabric seat.
